**Re:** Premium IOL Fee Schedule

---

Dear NYEE Ophthalmologists:

To ensure we continue to provide our surgeons and patients with the highest quality and selection in Premium Intraocular Lenses (IOL) it is necessary to increase pricing modestly. A recent review identified that we were charging less than cost, so this modest increase will help us cover our costs.

This will be our first Premium IOL and FEMTO price increase since April 2016 and we're confident that the attached new fee schedule remains competitive with other Hospitals and Ambulatory Surgery Centers.

This new fee schedule will be effective August 01, 2021.

If you should have any concerns/questions, please do not hesitate to contact me at [bgoldstein@nyee.edu](mailto:bgoldstein@nyee.edu) or 212-979-4115.

We thank you for your understanding and your continued support.
